**The Cuban Research Institute  
cordially invites you to**

## **La Habana por dentro: desafíos y perspectivas**

A lecture by

**Miguel Coyula**

**Professor of Architecture, University of Havana**

**Monday, November 8, 2010 | 7 pm**

FIU Modesto A. Maidique Campus  
Graham Center, East Ballroom

Miguel Coyula, a Cuban architect and urban planner is a professor of architecture at The University of Havana. He has lectured at various universities and institutions around the world including University of Panama, California Polytechnic University, Canadian Urban Institute, Bureau d'Études Urbains (France) and Universidad Tecnológica Bolívar (Colombia).

Professor Coyula will examine Cuba's recent history and the resulting implications and challenges for the city of Havana. He will focus on various social and economic issues, among them housing, strategic urban planning and community development.

Event is free and open to the public.

For information and to RSVP call 305-348-1991.
